<div>CHAIRPERSON'S OPENING REMARKS</div>					
<div>Neil Salton, Managing Director, ChangeWorq Pte. Ltd</div>					
<div>THEME: EMERGING TRENDS FOR THE FUTURE OF WORK</div>					
<div>EMERGING STRONGER FROM DISRUPTION THROUGH HUMAN-CENTRIC INNOVATION</div>					
<div>Hardeep Matharu, Head of Asia, Business Growth and Senior Consultant, Veldhoen + Company / Natasha Wahap, Head, Employee Engagement, Diversity and Inclusion, Grab</div>					
<div>The worldwide pandemic has changed the way we work permanently. In the face of this shift, we will share an exploration of how we harness innovation to drive effective work environments despite significant disruption. Within this, we will share the fundamental principles of an effective work environment, and offer up real-life approaches which can be taken by organisations to emerge stronger from disruption</div>					
<div>CREATING THE RIGHT SPACES FOR THE GREAT OFFICE RETURN</div>					
<div>Jeremy Myerson, Director, WORKTECH Academy & Research Professor, RCA</div>					
<div>This session will discuss the WORKTECH Academy’s 2021 Trend Report that seeks to address the key questions that real estate professionals need answers to, as they finalise plans to re-open offices. Drawing on evidence and insights from across WORKTECH Academy’s global network of workplace academics, experts and practitioners, the report identifies six desirable characteristics for the future office - Creative, Sustainable, Digital, Healthy, Inclusive and Agile.</div>					
<div>NETWORKING BREAK AND VIRTUAL EXHIBITION</div>					
<div>THEME: WORKPLACE EXPERIENCE —A NEW REALITY</div>					
<div>EXPERT PANEL: REAL ESTATE RE-SET</div>					
<div>Moderator: Chelsea Perino, Managing Director, Global Marketing & Communications, The Executive Centre/ Paul Luciani, APAC Real Estate Leader, EY / Ken Lynch, Head of Workplace, ANZ Bank / Seng Chor Ng, Workplace APAC+China, Airbnb</div>					
<div>As we look to the future, office and real estate strategies will continue to act as a tool to support existing employees and attract new ones. In this discussion, we will address key concerns for corporate real estate leaders, including how to make the office an attractive proposition to employees who now have more choice in where and how they work.</div>					
<div>MAKE HYBRID WORK FOR YOU</div>					
<div>Dinesh Malkani, CEO & Founder, Smarten Spaces</div>					
<div>The pandemic has accelerated the digital transformation of workplace and has forced the adoption of new ways of working and every organization’s approach will need to be different. In this session, Dinesh will share how Smarten Spaces has helped companies get back to work and shift to the Hybrid Workplace with the new Jumpree technology which features hybrid workplace scheduler to maximise employee engagement, collaboration and productivity.</div>					
<div>EXPERT PANEL: TECH-TOOLS REDEFINING THE FUTURE OF WORK</div>

<div>In the age of the “anywhere office”, technology will play a more vital role than ever. It is now crucial for businesses to understand how people are using work spaces and implement technologies that will keep teams connected, organized, safe and ultimately enhance their experience and productivity. From virtual reality to workplace analytics, visitor management solutions to workplace apps and collaboration tools, our experts will shed light on some of the key technology innovations that are transforming how people work.</div>					
<div>NETWORKING BREAK AND VIRTUAL EXHIBITION</div>					
<div>THEME: WHAT’S NEXT FOR THE FUTURE OF WORK?</div>					
<div>DISRUPTIVE DESIGN FOR AN INTEGRATED WORK/LIFE EXPERIENCE</div>					
<div>Jane Young, Director of Workplace Innovation & Experience, Smartway2</div>					
<div>Now, more than ever, we have the opportunity to redesign and reimagine the way we work. Whether we deplete or nourish, destroy or regenerate, depends on our courage and skill in designing new ways to live and work; and in recognizing our limits as designers and therefore the need for bold, prolific experimentation. Jane will take us on a whirlwind tour not only of the possibilities presented by this new world of work; but she’ll also share a practical Disruptive Design method, to help workplace experience innovators amplify their influence and serve as agents of change.</div>					
<div>EXPERT PANEL: NAVIGATING UNCERTAINTY: THE FUTURE OF WORK</div>
